Board of Director's Special Meeting  
Date: February 23, 2021

Agenda Item: 4.1

Agenda Title: Committee on Reopening Report and Recommendations

Action Requested: Board's Pleasure

Background Information:

The committee met for the fourth time on Wednesday, February 10th, I have attached the minutes and recommendations from the meeting.

I am also attaching the Eureka City Schools press release on their reopening of the TK - 8th grades beginning on March 1st.

The timeline for our staff who received the vaccine the weekend of February 12th would be the second dose administered the weekend of March 12th. There is a waiting period of 10 days + for the vaccine to be fully effective bring us to March 24th.

I would recommend that the Henderson site open fully for those students wishing on campus learning be commence on March 29th. Noted in the article ECS estimates Humboldt County could be into the Red Tier by February 23rd. If this occurs we should place the Moore Ave site on the same reopening schedule as the Henderson site.

## Meeting 4

### Meeting Objectives:

- Determine a reopening date

### Session Questions:

How do we weigh:

- Staff Vaccine Timeline
- Staff Training/Prep
- Staff not vaccinated
- CDPH reopening requirements
- Current information/climate

On our decision to select a date to reopen?

### Follow Unified Norms

- We will embrace the reopening process as a “messy” and complicated process that often lacks complete clarity from state and local government.
- We will demonstrate emotional intelligence in handling our frustrations.
- We will communicate with courtesy, care, respect, and civility.
- We will respect mutually agreed upon timelines and meetings.
- We will keep an open mind to reopening, and it’s the challenge.
- We understand that the only thing predictable about kids is they are unpredictable.

### Agenda:

1. **Check-In:**
2. **Review Board Meeting and directors thoughts**
3. Current Climate
  - a. Chicago Elementary School Union vote to reopen
  - b. President Biden Reopening Thoughts
  - c. Gavin Newsome Reopening Elementary Schools this week: Any Tier for K-6.
    - i. 7-12 Red, Orange, or Yellow
4. Timelines
  - a. PVCS Compromise to Vaccinate: (Feb 13) +28 Days (March 28)+ 14 days for 95% = March 29th threshold.
    - i. Moderna Journal
  - b. Tiers only applicable to 7-12
5. Final Decision

## Shared Criteria for Reopening

- A cautious approach to reopening, IF it happens before September 2021.
- Re-opening criteria - Tier 3 or 4
- Staff immunizations
- Contingency plans for non-immunized staff, possible future closure
- Additional staff for daily sanitization of all classrooms (high-touch areas) and deep sanitation of all student/staff bathrooms.
- Classified instructional aide replacements (elementary site)

## Discussion on Possible Decisions

Choice	Rational
April 5	<ul style="list-style-type: none"> <li>- Start of Quarter 4 for continuity</li> <li>- Gives Vaccine Flexibility if Changes in administration or waitlists.</li> <li>- Maximize Staff Training</li> </ul>
Phased Approach March 1st/8th (K-6)	<ul style="list-style-type: none"> <li>- 3 Staff not vaccinated. If no additional school changes, vaccination not a determiner.</li> <li>- Lawyers like the phased approach</li> </ul>
March 22nd (K-6)	<ul style="list-style-type: none"> <li>- No need for 14 days after 2nd dose</li> <li>- Kids and Parents struggling with Online Learning</li> </ul>
April 26th K-6	<ul style="list-style-type: none"> <li>- Give a 1-week buffer for Spring Break</li> </ul>
March 29th -K-6 full open/Phased March 29th-Phased Approach 7-12 if out of purple.	<ul style="list-style-type: none"> <li>- Possible all staff vaccinated if there are no delays.</li> </ul>

Greetings Eureka City Schools Families,

Last night, on Thursday, February 18th, the Eureka City Schools Board met and determined that in-person instruction will be available as an option for all grade levels, preschool through high school. This means you will have an option for whether or not you would like your student to attend in-person instruction or continue on distance learning.

In-person learning will be available starting Monday, March 1st, for preschool through 8th grade. As of right now, the California Department of Public Health will not allow Eureka High School or Zoe Barnum High School to open for in-person instruction until Humboldt County has been in the Red Tier for 5 days. We are optimistic that the County will move to the Red Tier on Tuesday, February 23rd, thus potentially allowing the high schools to provide the option for in-person learning on Monday, March 1st.

As we transition to the option of in-person learning, there will be much work happening in preparation. Many of the details are not yet available. Your student's school site will be in contact with you next week to determine whether or not you would like your student to stay on distance learning or attend in-person. Sites will also be reaching out with the schedule details, as there will likely be modifications to start and end times for both in-person and distance learning to accommodate bussing. If you have specific questions, please contact your student's site.

We will not be able to transport students on our buses at the normal capacity, so if you have the means to get your student to school, please plan to do so. For those who rely on bussing, we will do our best to safely accommodate as many students as possible. More information will be available next week.

As we transition back to in-person learning, please be patient with your student's teachers, their school site, and the District. We are starting a new way of learning, a combination of in-person and distance learning that teachers have never done before. We are all but certain to have issues as we learn how to best serve students in two different learning modalities.

As students return to in-person instruction, please be advised, all students must wear a face covering and follow travel advisory and contact quarantines as directed by Humboldt County Public Health.

Please pause and consider your plans for safe interaction with others. Please follow the advice of Humboldt County Public Health to help keep your family and our community safe.

Stay healthy and stay strong.
