My Dashboard

Your school will provide your username, password, and the correct URL – most students sign in at www.apexvs.com. For security reasons, Apex Learning Support does not distribute sign in information.

After signing in, you are taken to My Dashboard where you can:

- Access your courses and view progress information
- See important announcements posted by your teachers
- Send messages and submit work to your teachers
- View your calendar of activity due dates

The screenshot shows the Apex Learning My Dashboard interface. At the top, there's a blue header with the Apex Learning logo, 'Alerts', 'Help', and 'Student' links. Below the header is a 'Menu' section. The main content area is titled 'My Dashboard' and shows '3 Enrollments - Active'. There are 'FILTER' and 'ACTIONS' buttons. The 'Courses' section lists 'English 9' with a 93% progress bar and 'Algebra I' with an 80% progress bar and a red '4' indicating overdue activities. The 'Tutorials' section lists 'English 9' with an 88% progress bar. On the right side, there are 'Announcements' (5/15/18 Welcome Algebra I Students!, 6/1/18 Welcome English 9 Students!), 'Messages' (+, VIEW), and 'Calendar' (VIEW).

How to Submit Your Work

Some activities, like quizzes and tests, are computer-scored and completed online in the course window. Other activities have worksheets to print or to download and complete on your device. Ask your teachers how they would like you to submit your work. They may ask you to print and submit in person or you may need to scan or upload your work and submit it online using the Messages feature on My Dashboard.

The Course Window

Most of your time will be spent working in the course window.

The screenshot displays the Apex Learning course window for English 9. The top navigation bar shows 'English 9' and 'Apex Learning'. The main header for 'Unit 1: The Short Story, Part 1' includes links for 'INTRODUCTION', 'LESSON 1.1', 'LESSON 1.2', and 'LESSON 1.3'. Below this, the 'The Shape of a Story' section features a row of lesson icons from 1.1.1 to 1.1.10. Lesson 1.1.7 'Study' is currently active, showing a progress bar and a 'RESUME' button. The main content area for 'Analyze the Shape of a Story' includes a text passage about 'The Monkey's Paw' by W. W. Jacobs, a video thumbnail, and a multiple-choice question: 'If you had the monkey's paw from Jacobs's story, what would you do with it?'. The question options are: 'I'd make three wishes, but I'd be smart about it so I could avoid bad consequences.' and 'I'd keep it, but I'd only wish on it when I was about to die. Then what would I have to lose?'. Navigation buttons for 'PREVIOUS' and 'NEXT' are at the bottom. Callouts identify 'Course outline navigation', 'Activity resources', and 'Activity page navigation'.
